Wide Advantage

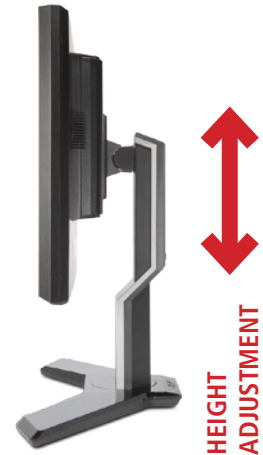

The 16:9 widescreen LCD monitor unlocks new multitasking possibilities to increase productivity, and delivers a fabulous multimedia experience.

Ergonomic Design

Acer T230H enhances your viewing experience via an ergonomic design, you can easily adjust the height, or tilt the monitor to suit your individual needs.

All Digital Connectivity

Advanced HDMI™ connectivity delivers the highest-quality video and audio currently available.

Rapid

The T230H reduces deviations in transition time to deliver high-quality moving images. Acer overdrive technology improves the gray-to-gray level, which is the most important factor for superb moving-picture viewing.

Top-notch Performance

Acer's T230H monitor delivers stunning graphics via its 16:9 Full HD widescreen. Its fast refresh rate is fully compatible with the latest blu-ray devices, digital broadcasting and online media. It is also ergonomic to use. What are you waiting for? Join the next big wave in the PC display evolution today!
