Accessories **Features** Specifications

The Botero Rotary Background Support System is a quick and easy way to provide 4 individual, 5 feet wide by 7 feet long **backdrops** for your subject. 4 muslin-like backdrops are included, with touch fastener edge strips that run the entire width of each backdrop.

Each of the 4 backdrops attaches to each other in any order you choose, forming one continuous roll. The top and bottom rollers enable you to smoothly change backdrops continuously, up or down, with a tug of your hand.

- Roller base enables quick and easy relocation of the backdrops.
- Kit includes a black, white, chroma key blue and chroma key green "muslin" backdrop. More colors from the Botero line are available.
