Focused on you

With motorized tracking and autofocus, the spotlight is always on you, even when you move around.

Carl Zeiss optics

You'll enjoy razor-sharp, true-to-life video thanks to Carl Zeiss® optics and a 2-megapixel HD sensor.

Make magic

A mask, a cat, a sock puppet—you can choose from hundreds of avatars, masks, and Fun Filters to express your mood.

Isn't it about time video calling became easy? Now it is with Logitech Vid™.
