where does it belong?

- By your bed: Fall asleep to a favorite internet music station; wake up to a zen gong, a news podcast, or Pandora Radio.
- In the kitchen: Consult your Google Calendar in the morning, check the weather, and cook to streaming internet music.
- On your desk: Watch your photos stream by, follow your friends on Facebook or Twitter, or get alerted to that craigslist find you've been waiting for.

it's simple to use

- Intuitive touchscreen operation
- Step-by-step wi-fi setup
- Connects to your home wireless network
- Manage content directly on the chumby one or from the website

chumby classic is available at store.chumby.com.
